

Effective 04/05/2021

UNIVERSITY OF MICHIGAN  
BIO MEDICAL STORES

**REQUISITION  
FOR TAX-FREE ALCOHOL**

**TO ALL DEPARTMENTS REQUESTING TAX-FREE ALCOHOL**

Tax-free alcohol is available for use in the Hospitals, Health Service, and Medical Laboratories, and for other purposes in accordance with the Federal law and regulations. By ordering, you hereby agree to take reasonable precautions in safeguarding the use of all tax-free alcohol that you have requisitioned. You will make oath at any time that all such alcohol has been used in accordance with the Federal law and regulation. You will furnish such oath whenever called upon by the proper officers of the University that this requisition of alcohol is to be used for one of the following uses: (1) For preserving specimens of anatomy, physiology or natural history belonging to the U-M; (2) For use in the chemical laboratory and other laboratories of the U-M for the following-named purposes: for the chemical conversion of the alcohol into other substances such as ether, acids, etc. and the use of alcohol as a solvent or otherwise in a great variety of operations, the sole purpose of which is that of scientific study and research; (3) For use in the hospital or sanatorium as follows: for technical and medical purposes in the U-M Hospitals, the U-M Dental School, the U-M Health Service, and any other department or division of the U-M, such as the Pathological Laboratory, for example, directly connected with the U-M Hospitals; and (4) For laboratory use for scientific instruction and research only.
